Just talked with Paul on the phone. He won't have the ORC funding amount until tomorrow morning. He said he would provide that number to us along with the accounting information. He is aware we need to get our paperwork to Maryann by COB Wednesday.

I will go ahead and complete our narrative citation today so you can review.

Ok thanks...I just received a voicemail back from Paul Logan concurring on this award. However, he and Bob are interested in increasing the amount further with ORC funds. Should I check with Maryann on whether we can jointly fund this award?

Unit Chiefs – please share your preliminary list of cash awardees (names and amounts) with me prior to Friday, May 16th. I don't necessarily need to see the write ups. I need to make sure that we are being consistent and fair across the Water Program. If there are adjustments that need to be made I will try to get you feedback asap so that you can submit your forms by May 21st. Thank you.
